

## R U Ready?

God is pouring out His spirit in a fresh way especially among kids! I know and believe very strongly that God has plans for them....right now! They don't have to wait until they're older; God wants to use them in great and awesome ways....**TODAY!**

That's what our Creative Arts Weekends are all about; equipping kids **TODAY** with ministry gifts so they can go back to their churches and begin **TODAY** releasing what God has put inside of them **TODAY!**

Our desire is that you would not only come to the Creative Arts Weekend, but that you would take back the concept of a "ministry team" made up of kids and begin one in your church!

Register **TODAY**, "load up your kids and get them to one of our locations this year"....It will change you and it will change your kids!
