

SUPERCHARGED! DIGITAL KIDS CAMP

*****If your church isn't prepared to have a FULL schedule, you could just have a shorter schedule. Instead of starting earlier in the day, you could begin as late as 4:00pm. Register the kids, feed them a light supper and be ready for our LIVE Stream from 5-7pm. This is a good option for churches that have limited access to volunteers and for those who aren't yet comfortable being around the kids for a really long time.***

*****Please let me know if you're doing the full day option or the shorter option.***

*****As the camp draws closer, our team will be in touch with them concerning how to Stream the Event Live, suggestions on craft ideas, games, devotions and other information to help with the camp experience.***

*****We are encouraging and asking each church to invite kids to their facility. This means that you will need to take extra precautions in SUPER cleaning your building during this COVID-19 season. If there are parents who will not bring their kids to the facility because of safety concerns, you are free to share the LIVE Stream codes with them so that their children can experience this at home. Please don't put these codes on your website or through social media. We want ministry to take place through YOUR Church and YOUR families. These codes will be for your local situation ONLY.***

COST

We are asking each church to contribute 100.00 per church for the camp. However, if you can't afford that we understand and you don't have to send anything. Or, some of you may be able to do more than \$100.00 and yes, we'll be happy to receive it! The bottom line is that we are offering this to you as a missions organization to your church and we don't want cost to be a factor. You may decide to charge a registration fee for your campers and include that money in your overall budget. You will certainly have some expense pertaining to food, snacks, craft/game supplies etc.

CAMP MISSIONARIES

Grayson and Casie Bambusch have recently been given full missions appointment from the Assemblies of God World Missions to Southeast Asia. They were on our KidzAblaze team for a number of years, got married and now have one child! As soon as they raise their budget, they'll be heading overseas for several years.

Super-Charged camp wants to bless them! They will share their story on Wednesday and Thursday night of camp and we will receive an offering for them. Please tell your kids to start saving their money NOW so that they can bless them during camp. Instructions will be given on how to send the money at camp through Pay Pal or through a check in the mail.

AGE OF CAMPER

The camp is geared for elementary and middle school children. Each church can make their own decision on a specific age or grade according to what works best with your local situation.

DAILY DEVOTIONS

Each afternoon (Tuesday, Wednesday, Thursday) each church will lead their kids in devotions. This will take place following the first "Power-Up" kids service that will go from 1:00-1:45. The theme of that day will be presented during our LIVE stream and You'll have about 30 minutes to review what was talked about. The devotions will be sent to you about a month out and will include review notes, scripture and question/answer about the theme of the day.

MUSICAL

Each night (Monday - Thursday) you and your kids will be watching our play, "The Revengers". Taken from the popular "Avenger" Series, the Revengers are a group of angry superheroes who are trying their best to create havoc at a Super Hero camp. You'll meet such crazy characters such as "The Nose" "Eclipse" "Silly Man" and more! Every one of us has the spirit of a hero inside of us and this musical will help you to see the Power that's available to all of us TODAY!

CRAFTS/GAME IDEAS

Each afternoon you'll have some time to do a craft and/or a game. About a month out we'll send you some ideas that goes along with our theme and our musical!
